

eRack

Convenient & Compact Aquatics Rack

The eRack is our entrance for the teacher or beginning researcher into the world of zebrafish aquatics. It is a small and compact system, at optimal height for classroom visibility and is an excellent introduction to the field.

- Casters for portability
- Self-contained four-stage water filtration
 - Fluidized Bed Biofilter
 - Mechanical Filter
 - Carbon Filter
 - Ultraviolet Filter
- Equipped with
 - Five 2.8-liter tanks
 - Eight 1.8-liter tanks
 - Four 1.0-liter crossing tanks
- 24-hour technical support, online store for ordering supplies, and flexible preventative maintenance contracts
- Requires only one 115 volt dedicated outlet

AQUANEERING

INCORPORATED

Superior Water Quality. Because your research depends on it.
